88-ERA-10

In the Matter of

COMPLAINT OF FRANCIS ALBERT LABATUT, JR.
AND ANCO INSULATIONS, INC.

ORDER OF DISMISSAL

This case was scheduled to be heard on March 2, 1988, in Baton Rouge, Louisiana by proper Notice of Hearing, and immediately prior to the scheduled hearing Counsel for Claimant advised this office that the matter had been settled and requested that the hearing be cancelled and the case dismissed. Counsel was advised that the hearing would be cancelled but the matter would be dismissed, with prejudice, only upon receipt of written request that such action be taken.

On March 9, 1988, this office received written request from Counsel for Claimant advising that this matter had been settled and, accordingly, move that the above matter be dismissed with prejudice.

Therefore, pursuant to the authority vested in me by 29 C.F.R., Section 24.5(e),(4),(i), I issue the following:

Recommended Decision and Order

It is therefore Ordered:

1. That, at the written request of the parties hereto, this case be dismissed, with prejudice; and
2. That it shall become the Final Order unless modified within the time and as provided by 29 C.F.R., Section 24.6.

This the 10th day of March, 1988.
